Yes — you can generally use same-day rebooking for just a connecting flight segment on Alaska, since this specific portion of your itinerary can be adjusted independently of the rest. What this generally involves generally means confirming the resulting itinerary still connects properly. How to request your specific change generally means explaining you only need this one segment adjusted. Call +1-833-567-5864 to rebook just your specific connecting segment.

Call **+1-833-567-5864** (24/7) for all Alaska Airlines questions.

Is This Generally Possible?

Yes — you can generally use same-day rebooking for just a connecting flight segment on Alaska, since this specific portion of your itinerary can generally be adjusted independently of the rest of your particular trip.

(1) CAN BE ADJUSTED INDEPENDENTLY: this generally isn't limited to rebooking your entire particular itinerary.

(2) INDEPENDENT OF THE REST OF YOUR TRIP: your particular connecting segment generally can be handled this specific way.

(3) CONFIRM FOR YOUR SPECIFIC SITUATION: verify this general principle applies cleanly to your particular itinerary.

CAN BE ADJUSTED INDEPENDENTLY: this generally isn't limited to rebooking your entire particular itinerary.

Alaska Airlines Reservations — 24/7: +1-833-567-5864

What Does This Generally Involve?

What this generally involves generally means confirming the resulting itinerary still connects properly, since your particular new segment generally needs to align with your existing specific onward or return flights.

(1) CONFIRMING THE RESULTING ITINERARY CONNECTS: this generally represents an important specific check after this change.

(2) ALIGNS WITH EXISTING FLIGHTS: your particular other segments generally need this continued specific compatibility.

Example — a traveler whose connecting flight segment needs adjustment requests same-day rebooking for just that leg, confirming their particular remaining itinerary still connects properly afterward.

CONFIRMING THE RESULTING ITINERARY CONNECTS: this generally represents an important specific check after this change.

How Do You Request Your Specific Change?

Step 1. Call +1-833-567-5864 with your itinerary details.

Step 2. Explain you only need the connecting segment adjusted.

Step 3. Confirm the resulting full itinerary still connects.

Step 4. Confirm the resulting terms and any applicable cost.

Step 5. Complete the change once terms are clear.

CALL WITH YOUR ITINERARY DETAILS: explaining you only need the connecting segment adjusted, not the entire trip.

What Should You Do If Adjusting the Segment Affects Your Other Flights?

Step 1. Confirm how this change affects your remaining itinerary.

Step 2. Ask about any necessary adjustments to other segments.

Step 3. Call +1-833-567-5864 to discuss your specific situation.

Step 4. Confirm the resulting complete itinerary.

Step 5. Proceed with your trip once confirmed.

CONFIRM HOW THIS CHANGE AFFECTS: your remaining itinerary, an important step before finalizing a segment-only rebooking.

Connecting Segment Rebooking at a Glance

Element	Detail
Availability	Generally supported for just one segment
Consideration	Must confirm the full itinerary still connects
Best Practice	Explain clearly you only need one leg adjusted

This overview shows adjusting just a connecting segment generally represents a targeted, manageable request.

A TARGETED, MANAGEABLE REQUEST: generally describing same-day rebooking for just a connecting segment.

Does This Also Apply if the Connecting Segment Is Operated by a Partner Airline?

A related general consideration applies if the connecting segment is operated by a partner airline, since that carrier's own specific same-day change policy generally needs to be confirmed alongside Alaska's terms.

(1) A RELATED GENERAL CONSIDERATION: this isn't automatically identical to an Alaska-operated connecting segment.

(2) THAT CARRIER'S OWN SPECIFIC POLICY: your particular partner-operated segment generally needs this additional specific check.

(3) CONFIRM FOR YOUR SPECIFIC ITINERARY: verify how this general principle applies to your particular connecting carrier.

A RELATED GENERAL CONSIDERATION: this isn't automatically identical to an Alaska-operated connecting segment.

Frequently Asked Questions

Q: Can you use same-day rebooking for just a connecting flight segment?
A: Yes, generally — this portion of your itinerary can be adjusted independently.

Q: What does this generally involve?
A: Confirming the resulting itinerary still connects properly.

Q: How do you request your specific change?
A: Call and explain you only need the connecting segment adjusted.

Q: What should you do if adjusting the segment affects your other flights?
A: Confirm how this affects your remaining itinerary and ask about adjustments.

Q: Does this same option apply if the segment is operated by a partner airline?
A: A related consideration applies, needing that carrier's own policy confirmed too.

Q: What is the Alaska Airlines phone number?
A: +1-833-567-5864 (24/7).
